Dear Participant:

On the reverse side of this letter you will find the new Participating Dental Provider Listing, effective January 1, 2012. There are two sections to the Participating Dental Provider Listing. The first section consists of dentists that have reviewed our dental schedule and have agreed to accept the allowances as payment in full. The second section of the listing consists of dentists that have agreed to accept payment in full for all procedures, except they charge a co-payment for full and partial denture, root canals, crowns and pontics. The co-payment is determined by each individual dentist. Always discuss the required co-payment with your dentist prior to having the dental work performed.

Dental Benefits are paid based on a Fee Schedule. A Fee Schedule lists all dental procedures and gives each procedure on the schedule a maximum amount that is paid to the dentist. An example of how a Fee Schedule works is for procedure code 0110 - an initial oral examination, there is a maximum payment made of \$28.00. All dentists on the Participating Dental Provider Listing would accept the \$28.00 as payment in full. Participants can go to dentists who are not listed on the Participating Dental Provider Listing. However, the Fund will only pay the amount listed on the Fee Schedule and the participant will be responsible for the balance. The maximum amount allowed is \$1,250.00 per person per year. The maximum lifetime orthodontic benefit is \$1,500.00 per person.

The Fund Office is always interested in adding new providers to our listing, if your dentist is interested in becoming a participating provider please have them contact the Fund Office. Dental forms can be obtained from the Fund Office by calling (888) 494-4443.

Sincerely,

Fund Office
