Plan JSS2 and Plan Y: Endodontic Procedures (Root Canals) Now Covered

Effective September 1, 2012, as a result of recent collective bargaining, the Board of Trustees is pleased to announce that coverage of Endodontic procedures (root canals) has been added for Participants and Dependents in Plan JSS2 and Plan Y. While most of the Endodontic procedures are subject to a co-pay, participants should see significant savings since the procedures previously were not covered under Plans JSS2 and Y and could have cost as much as $1,200 per instance. To be covered, the Endodontic procedures must be performed by a GDS general network dentist and are subject to the same policy provisions as your other dental benefits including, but not limited to, authorization for medical necessity.

The covered Endodontic procedure codes and associated co-pays are as follows:

All co-pays and fees are due at the time of service, and all dental services must be performed by a network general dentist to be eligible for dental benefits.

The purpose of this newsletter is to explain your benefits in easy, uncomplicated language. It is not as specific or detailed as the formal Plan documents. Those documents always govern.

Contraceptives For Dependents Covered Only If Medically Necessary

The Fund will provide coverage for contraceptives for a dependent daughter only if it is medically necessary. Contraceptives for dependent daughters are not covered for contraception purposes (birth control). For this reason, if your daughter has a medical condition which requires a contraceptive prescription, her doctor must note that the prescription is for the treatment of a medical condition, not for birth control, in order for the prescription to be covered under the Plan.

UFCW Pensioners: Make Sure Your Beneficiary Designation Is Current

Under the UFCW Unions & Participating Employers Pension Plan, upon the death of any pensioner (except a pensioner receiving a deferred vested pension), the pensioner’s beneficiary will receive a death benefit. To be sure that this benefit is paid to the person you select, please make sure that your beneficiary designation form is up to date.

This form can be found by logging on to www.associated-admin.com, selecting “UFCW” and printing the “Change in Beneficiary” form.
As a result of collective bargaining, the Trustees have adopted the following change to the Shoppers Kaiser Medicare HMO retiree program, effective Sept. 1, 2012:

- The office visit copayment will change from $10 to $15 per visit.
- There will be a $100 inpatient copayment which will apply to the first inpatient admission during each benefit period.
- The prescription drug co-payments will change as follows:
  - From $5 to $10 for mail order scripts (up to a 90 day supply) from the Kaiser Permanente mail order pharmacy;
  - From $10 to $15 for scripts obtained at a Kaiser Center Pharmacy (up to a 60 day supply);
  - $22.50 for 90 day supply script obtained at a Kaiser Center Pharmacy rather than mail order;
  - From $15 to $25 for scripts obtained at a participating retail pharmacy.

You will receive a separate mailing and a new Evidence of Coverage directly from Kaiser Permanente.

The Board of Trustees is pleased to be able to continue coverage for retirees. If you have questions regarding your Kaiser benefits, please call (800) 777-7902.

November 1 - November 30 is open enrollment for choosing health and welfare coverage starting January 1, 2013. If you have not already enrolled for benefits or if you wish to change your enrollment, you may do so during this time. If you are already enrolled and don’t wish to make a change, don’t do anything — your coverage will continue as it has been for the past year.

Cost for Coverage
The cost to enroll for coverage is as follows:
- $5 per week for single coverage,
- $10 per week for participant plus spouse,
- $10 per week for participant plus child/ren, and
- $15 per week for family coverage.

Payment is made via payroll deduction.

What Coverage Will You Have?
Your coverage is described in your Summary Plan Description (“SPD”) booklet. If you do not have your SPD readily available, you can review your benefits by logging on to www.associated-admin.com. Notice of Creditable Coverage Regarding Your Prescription Drug Benefit

The following Notice of Creditable Coverage applies to Medicare-eligible participants, retirees, and dependent spouses. This notice does not apply to retirees formerly employed by Kroger, as their drug coverage is not provided through the Fund.

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with the UFCW Unions and Participating Employers Health and Welfare Fund and about your options under Medicare’s prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare prescription drug coverage in your area. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare’s prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

2. The UFCW Unions and Participating Employers Health and Welfare Fund has determined that the prescription drug coverage offered by the Fund is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?
You can join a Medicare drug plan when you first become eligible for Medicare and each year thereafter from October 15th to December 7th.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2)-month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?
If you decide to join a Medicare drug plan, your current UFCW Unions and Participating Employers Health and Welfare Fund coverage will be affected. See below for more information about what happens to your current coverage if you join a Medicare drug plan.

You cannot have both Medicare prescription drug coverage and prescription drug coverage through the Fund at the same time. If you decide to join a Medicare drug plan and drop your UFCW Unions and Participating Employers Health and Welfare Fund prescription drug coverage, be aware that you and your dependents may not be able to get the same Fund coverage back.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?
You should also know that if you drop or lose your current coverage with the UFCW Unions and Participating Employers Health and Welfare Fund and don’t join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

Note to Kaiser Medicare HMO Enrollees
You will get a notice from Kaiser Permanente that you are enrolled in Medicare Part D. Your coverage for medical and/or prescription drug benefits through Kaiser will remain the same.

For More Information about This Notice Or Your Current Prescription Drug Coverage...
Contact the Fund office for further information at (800) 638-2972 or (410) 683-6500. NOTE: You’ll get this notice each year. You will also get it before the next period you can join a Medicare drug plan, and if this coverage through the UFCW Unions and Participating Employers Health and
Welfare Fund changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the “Medicare & You” handbook. You’ll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:
- Visit [www.medicare.gov](http://www.medicare.gov)
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the “Medicare & You” handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

If you have limited income and resources, extra help paying for Medicare prescription drug coverage is available. For information about this extra help, visit Social Security on the web at [www.socialsecurity.gov](http://www.socialsecurity.gov), or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).
