

Late Contributions 4th Quarter 2020

Please be aware that the following Employers have resumed at least some contributions and those for whom I have not given a time frame were contributing pretty much the full quarter:

1. WA Hilton (9)
2. Hyatt Regency (13) intermittent contributions scattered June-Sept and one week in December
3. Hilton Washington DC National Mall (14)
4. Omni Shoreham – (18) last two weeks of December
5. Embassy Suites Crystal City (35) one week November
6. MGM National Harbor (42) end of November – December

There were no Employers who made contributions last quarter that did not make at least some contributions this quarter.
