The Women's Health and Cancer Rights Act ("WHCRA") provides protections for individuals who elect breast reconstruction after a mastectomy. Under federal law related to mastectomy benefits, the Plan is required to provide coverage for the following:

- All stages of reconstruction of the breast on which a mastectomy is performed;
- Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- Prostheses; and
- Treatment of physical complications of all stages of mastectomy, including lymphedema.

Such benefits are subject to the Plan's annual deductibles and co-insurance provisions. Federal law requires that all participants be notified of this coverage annually.

If you have any questions about your WHCRA benefits, or your benefits under the Plan in general, please do not hesitate to contact us.
