As an authorized representative of the firm I certify the following answers are accurate and attest that our firm has provided/attached all required explanations and/or supporting documents.

**Part A: Account**

1.) Do you verify the portfolio and individual holdings are currently, and have been during the past quarter, in compliance with your firm's commingled investment vehicle guidelines and/or prospectus governing the management of the investment?

**Yes**    **No (please explain)**

2.) With respect to the portfolio(s) under your management, do you acknowledge sole fiduciary responsibility under ERISA for adherence with the commingled investment vehicle and/or prospectus guidelines?

**Yes**    **No (please explain)**

Vanguard would not serve as a fiduciary to the plan with respect to its management of the Vanguard mutual funds. By definition, the manager of a mutual fund is not, for that reason alone, considered a fiduciary to an investing retirement plan.

Although we would not be serving as a fiduciary to you as a result of your investment in a Vanguard mutual fund, the fund's advisors do owe a fiduciary duty to the fund under federal securities law and, therefore, will not take any action that is inconsistent with the best interests of the fund.

3.) Do you see a need for a change in the Fund's current investment policy or your addendum to the Fund's investment policy?

**No**    **Yes (please explain)**    N/A

**Part B: Firm**

1.) Have significant changes been made in the firm's investment management process during the quarter?

**No**    **Yes (provide details)**

2.) Have any changes or departures occurred in the investment team or other key personnel within the firm during the past quarter?

**No**      **Yes (provide details)**

On January 1, 2021, Chris McIsaac, previously head of Planning and Development (P&D), assumed Jim Norris' role as the head of Vanguard International. Jim Norris retired at the end of 2020 after a distinguished 33-year career at Vanguard.

In December 2020, Karin Risi, previously head of the Retail Investor Group (RIG), stepped in to lead P&D. Matt Benchener, formerly principal and head of Retail Client Services and Operations, joined senior staff as the new managing director leading RIG. Jodi Miller, previously head of Retail Strategic Support, succeeded Matt as head of Client Services and Operations and will report to Matt. Christina Selby, formerly chief financial officer for the Institutional Investor Group (IIG), will succeed Jodi as head of Retail Strategic Support and will report to Matt.

As part of our recently announced partnership, we have transitioned positions from Vanguard to Infosys. This strategic decision ultimately allows us to best serve our clients' interests and needs while providing meaningful opportunities for these individuals. In October 2020, Martha King moved to Infosys to head its Mid-Atlantic Retirement Services Center of Excellence and serve as the firm's chief client officer. Ms. King was head of Vanguard's Institutional Investor Group before she began overseeing a strategic partnership between Vanguard and Infosys to reshape their recordkeeping platform and retirement plan experience for Vanguard's defined contribution business.

Several officers transitioned along with Ms. King, including Kathy Fuertes, Frank Satterthwaite, Geff Marczyk, Rosemary DiGiandomenico, and George Heming. These leaders are embracing new opportunities to provide retirement readiness for millions of investors. Vanguard's and Infosys' teams will continue to drive Vanguard's mission to give plan participants the best chance for investment success. With shared values including a relentless focus on client service, we are confident transitioning crew will feel empowered and equipped to execute our mission at Infosys.

3.) Have any ownership changes in the firm occurred during the quarter?

**No**      **Yes (provide details)**

4.) Have there been significant changes to your Form ADV from the last copy delivered to the Fund? **If you are not required to file form ADV, please explain why.**

5.) Has your firm or any individual (employee) at the present or during the past quarter been named in litigation, a regulatory enforcement action, or investigation related to investment activities? Please include any updates on any pending litigation that has been previously reported.

**No      Yes (provide details and current status)**

As with similar institutions, The Vanguard Group and certain of its affiliates are involved in litigation from time to time. This includes litigation relating to contractual disputes, provision of investment-related services, employment disputes, and property liability matters. None of that litigation has been material to the operations or financial condition of The Vanguard Group or its affiliates.

6.) Has your firm reviewed all regulations and directives from the Securities and Exchange Commission concerning brokerage and research services and are you in compliance with all disclosure requirements?

**Yes      No (please explain)**

7.) Have any changes occurred in the Errors and Omission insurance coverage provided by your firm over the last quarter?

8.) Does the amount of insurance coverage meet or exceed the minimum amount required through your investment management contract with the Fund and the minimum amount required through the Fund's Investment Policy Statement?

Subject only to a client's direction to use a particular broker or dealer for the execution of transactions for that client's account, SBH's overriding objective in selecting brokers and dealers to effect client transactions is to seek the best combination of net price and execution. The best net price, giving effect to brokerage commission, if any, is an important factor in this decision; however, a number of other judgmental factors also may enter into the decision. These factors include SBH's knowledge of negotiated commission rates currently available and other current transaction costs; the nature of the security being purchased or sold; the size of the transaction; the particular security; confidentiality; the execution, clearance and settlement capabilities of the broker or dealer selected and others considered; SBH's knowledge of the financial condition of the broker or dealer selected and such other brokers and dealers; and, SBH's knowledge of actual or apparent operational problems of any broker or dealer. Recognizing the value of these factors, SBH may cause a client to pay brokerage

commission in excess of that which another broker might have charged for effecting the same transaction.
