New Business

- **End of the year party. Would like to replace this with a new end of year apprentice skill challenge. The competition would be for all 4th year and topped out apprentice for the last year. The competition would be held the same day we have our picnic. The winner would receive a plaque. Top 3 would receive a prize. Total prizes not to exceed \$1,000.00**
- **Change class days. Starting next year in August 2021. We will have all 1st year classes held on Monday nights, 2nd year classes held on Tuesday nights, 3rd year classes held on Wednesday nights and 4th year classes held on Thursday nights. We will also be adding another 2 instructors to teach. This will give us a total of 3 instructors. I have already discussed with Billy Wilkerson with the Hillsborough County School Board and have his approval.**
- **Need to change how the rule reads for repaying members for NCCCO. If an instructor is required to have a certain NCCCO in order to give practical exams. Then they should be repaid for all those fees. There will be fees for both certifications and practical examiners certs. This would only apply to ones who are NCCCO practical examiners and the programs they hold those certifications in.**

Tower Crane

- **We had tower tech here on Sunday May 1, 2021 to repair the A/C and clear out codes. I gave him a gift card for \$200.00 for his help.**
