Proposal Assumptions

The proposed rates and benefits included on the Rate and Benefit Summary page are based on the **participation and contribution requirements** described below. If any of the following are not met, Kaiser Permanente (KP) reserves the right to withdraw our rate proposal, decline coverage, re-rate this proposal or terminate your Group Agreement.

1. **Group-specific requirements:**
   None

2. **Rating Assumptions:**
   Rates assume a 12-month policy period of 3/1/2023 through 2/29/2024 unless otherwise specified above.
   The rates and benefits in this proposal include the Federal Health Care Reform requirements. KP reserves the right to modify the rates and benefits if we receive further clarification of Federal Health Care Reform requirements, or to incorporate other applicable Federal Health Care Reform requirements. In addition, Kaiser Permanente reserves the right to make any change in these rates and benefits due to changes in State or Federal legislation or regulatory action.
   KP reserves the right to rerate if actual enrollment results in a +/-10% change in the rates from what was assumed at the time of this quote. Examples of changes that may impact rates include, but are not limited to, the following:
   a. A change in the demographic factor.
   b. A change in the average family size or subscriber distribution.
   c. A change in the number of subscribers enrolled in KP.
   d. A change in the number of plans offered alongside KP.
   e. A change in the benefit design of a plan offered alongside KP.
   f. A change in the employer contribution formula.
   g. Groups must abide by the Break-in and Break-away Policy.

   KP reserves the right to change the rates in the event the employer funds, or offers to fund, all or part of an individual or family deductible, copayment or coinsurance which is applicable under the KP plan unless specifically noted in the Group-Specific Requirements above.

3. **Participation and contribution requirements:**
   a. Proposed rates and benefits assume 75% of overall eligible group employees enroll in a company-sponsored plan excluding those waiving for alternative group coverage.
   b. Proposal assumes employer pays at least 50% of the employee only cost and is non-discriminatory.
   c. With respect to any coverage identified as a "grandfathered health plan" under the Patient Protection and Affordable Care Act ("ACA"), Group must immediately inform Health Plan if this coverage no longer meets the requirements for grandfathered status including but not limited to any change in its contribution rate to the cost of any grandfathered health plan(s) during the plan year. Group's contribution rate for grandfathered health plan coverage may not decrease more than five percent (5%) for any rate tier for such grandfathered plan(s) when compared to Group's contribution rate in effect on March 23, 2010 for the same plan.

4. **This proposal assumes KP is offered as the sole health care plan to all eligible employees in the group**

Additional Kaiser Permanente Medicare Senior Advantage (KPSA), Medicare Plus or Medicare Cost Requirements:

a. Please refer to the group's contract for full definitions of Primary Medicare and Secondary Medicare.
b. Members must have Medicare Parts A and B to enroll in Medicare Senior Advantage (KPSA), Medicare Plus or Medicare Cost and be eligible for Medicare rates. In some regions members with only Part B may also enroll but their rates will be subject to a surcharge.
c. Medicare eligible members must reside in the approved Medicare Senior Advantage (KPSA), Medicare Plus or Medicare Cost service areas to receive benefits for the group Medicare Senior Advantage (KPSA), Medicare Plus or Medicare Cost offering.
d. Enrollment in Medicare Senior Advantage (KPSA), Medicare Plus and Medicare Cost is contingent upon receipt of an accurately completed enrollment form.
e. Preliminary Medicare Senior Advantage (KPSA), Medicare Plus or Medicare Cost rates and benefits are subject to change.
f. Medicare Senior Advantage (KPSA), Medicare Plus or Medicare Cost products may not be available for sale in all KP regions.

Additional Out-of-Area Product Requirements:

a. All employees offered KP Out-of-Area products must reside and work outside the KP service area.

6. Proposal requires eligibility for KP plan based on the following:

a. Employer - the employer cannot be considered a small group according to state law.
b. Actives:
- The group (employer) must be related to those offered a KP plan by virtue of employment. This includes when the group contract is with a Taft-Hartley Trust, Professional Employer Organization (PEO), association or Joint Power of Authority (JPA).
- An eligible employee is defined as an active, permanent employee who is on the employer's payroll, and works the minimum number of hours mandated by federal and/or state law to be considered an "eligible employee." Any agreement to change the minimum hours required must be in writing. Temporary and independent contractors (i.e., 1099 employees) are not eligible unless noted otherwise in this Rate Assumptions and Requirements document.
- The employee must live or work in the service area specific to the product they enroll in.
- 100% of eligible employees must be covered by Workers' Compensation, where mandated by law.

c. New enrollees:
The probationary period for new employees is non-discriminatory and reflects no more than a 90-day waiting period unless noted otherwise in this Rate Assumptions and Requirements document.
d. COBRA
- It is the responsibility of the employer group to enroll eligible members into the KP COBRA plan in compliance with federal law.
- It is the employer's responsibility to comply with appropriate COBRA statutes.
- KP will generally include COBRA members as part of the group bill. If individual billing has been arranged, KP will assume responsibility for collecting premiums from COBRA members, only acting as a collection agent on behalf of the group, not as a fiduciary for the group. In addition, KP retains the authority to terminate a direct-billed member for non-payment.

e. Retirees
- Eligible early retirees must enroll in a health plan at the time of retirement and may later elect to enroll in a KP plan at open enrollment as long as they have maintained continuous enrollment in a health plan since the time of retirement.
- Early retirees under the age of 65 must be reported to KP and set up as a separate employee class or subgroup.
- Medicare eligible retirees cannot enroll in the active plan.
- Applicants for a Medicare Senior Advantage (KPSA), Medicare Plus or Medicare Cost plan must meet all the Medicare eligibility requirements, including those stated in this Rate Assumptions and Requirements document.

f. Dependents
- If an "in-area" employee has dependents that live outside the service area, the employee and dependents must be enrolled in the same product.

7. Compliance:

KP reserves the right to make any change in the employer group's benefits and/or rates due to changes in State or Federal legislation or regulatory action.

8. **Broker Disclosure:**
The Consolidated Appropriations Act, 2021 (AKA "No Surprises Act") promotes transparency of health care costs and consumer protection. One specific requirement of the Act requires brokers and consultants to disclose the direct or indirect compensation they expect to receive for their brokerage or consulting services to their group health plan clients. This disclosure must occur prior to the group health plan client entering into a contract with Kaiser Permanente.

Kaiser Permanente is committed to assisting its brokers and consultants with fulfilling obligation to Kaiser Permanente group health plan clients. Please visit account.kp.org to learn more.

The contracting employer must also meet all other group-specific responsibilities and requirements described in your Group Agreement.

9. **Failure to Pay:**
If employer groups fails to pay in a timely manner, and if after the statutorily-required grace period terminates, employer group has not paid undisputed amounts in full, then KP may charge interest on the overdue amount.
