Proposal Assumptions

The proposed rates and benefits included on the Rate and Benefit Summary page are based on the **participation and contribution requirements** described below. If any of the following are not met, Kaiser Permanente (KP) reserves the right to withdraw our rate proposal, decline coverage, re-rate this proposal or terminate your Group Agreement.

1. Group-specific requirements:

None

2. Rating Assumptions:

Rates assume a 12-month policy period of 3/1/2021 through 2/28/2022 unless otherwise specified above.

The rates and benefits in this proposal include the Federal Health Care Reform requirements. KP reserves the right to modify the rates and benefits if we receive further clarification of Federal Health Care Reform requirements, or to incorporate other applicable Federal Health Care Reform requirements. In addition, Kaiser Permanente reserves the right to make any change in these rates and benefits due to changes in State or Federal legislation or regulatory action.

KP reserves the right to re-rate if actual enrollment results in a +/-10% change in the rates from what was assumed at the time of this quote. Examples of changes that may impact rates include, but are not limited to, the following:

- a. A change in the demographic factor.
- b. A change in the average family size or subscriber distribution.
- c. A change in the number of subscribers enrolled in KP.
- d. A change in the number of plans offered alongside KP.
- e. A change in the benefit design of a plan offered alongside KP.
- f. A change in the employer contribution formula.
- g. Groups must abide by the Break-in and Break-away Policy.

KP reserves the right to change the rates in the event the employer funds, or offers to fund, all or part of an individual or family deductible, copayment or coinsurance which is applicable under the KP plan unless specifically noted in the Group-Specific Requirements above.

3. Participation and contribution requirements:

- a. Proposed rates and benefits assume 75% of overall eligible group employees enroll in a company-sponsored plan excluding those waiving for alternative group coverage.
- b. Proposal assumes employer pays at least 50% of the employee only cost and is non-discriminatory.
- c. With respect to any coverage identified as a "grandfathered health plan" under the Patient Protection and Affordable Care Act ("ACA"), Group must immediately inform Health Plan if this coverage no longer meets the requirements for grandfathered status including but not limited to any change in its contribution rate to the cost of any grandfathered health plan(s) during the plan year. Group's contribution rate for grandfathered health plan coverage may not decrease more than five percent (5%) for any rate tier for such grandfathered plan(s) when compared to Group's contribution rate in effect on March 23, 2010 for the same plan.

4. This proposal assumes KP is offered as the sole health care plan to all eligible employees in the group

 - The group (employer) must be related to those offered a KP plan by virtue of employment. This includes when the group contract is with a Taft-Hartley Trust, Professional Employer Organization (PEO), association or Joint Power of Authority (JPA).

 - It is the employer's responsibility to comply with appropriate COBRA statutes.
 - KP will generally include COBRA members as part of the group bill. If individual billing has been arranged, KP will assume responsibility for collecting premiums from COBRA members, only acting as a collection agent on behalf of the group, not as a fiduciary for the group. In addition, KP retains the authority to terminate a direct-billed member for non-payment.
- e. Retirees
 - Eligible early retirees must enroll in a health plan at the time of retirement and may later elect to enroll in a KP plan at open enrollment as long as they have maintained continuous enrollment in a health plan since the time of retirement.
 - Early retirees under the age of 65 must be reported to KP and set up as a separate employee class or subgroup.
 - Medicare eligible retirees cannot enroll in the active plan.
 - Applicants for a Medicare Senior Advantage (KPSA), Medicare Plus or Medicare Cost plan must meet all the Medicare eligibility requirements, including those stated in this Rate Assumptions and Requirements document.
- f. Dependents
 - If an "in-area" employee has dependents that live outside the service area, the employee and dependents must be enrolled in the same product.
