Re: Life and Accidental Death and Dismemberment Renewal Effective August 1, 2025

Mutual of Omaha has proposed continuation of the current premium rates for an additional 24 months. The next renewal will be August 1, 2027.

Renewal and Recommendation

Provided below are the current and renewal rates for a \$10,000 benefit.

Coverage	Current	Renewal	Rate Basis
Basic Life	\$14.10	\$14.10	per covered lives
Basic AD&D	\$0.60	\$0.60	per covered lives
Rate Guarantee		2 years	

Segal reviewed the experience of the five most recent experience periods:

Experience Period	Paid Premium	Paid Claims	Loss Ratio
7/24-6/25	\$129,621	\$139,700	107.8%
7/23-6/24	\$130,482	\$69,300	53.1%
7/22-6/23	\$124,546	\$109,600	88.0%
7/21-6/22	\$119,848	\$90,000	75.1%
7/20-6/21	\$127,663	\$110,000	86.2%
Paid Total	\$632,160	\$518,600	82.0%
Reserves		\$41,488	
Incurred Total	\$632,160	\$560,088	88.6%

For groups of the Funds' size, we would expect a target loss ratio of approximately 80%, and the Fund exceeds that target by just under 9%. We believe that the offer is reasonable and provides continued expense stability. We would recommend that the Fund accept the renewal offer.

Financial Rating

Segal believes it is important to consider the financial strength of insurance companies that are candidates for initial selection or renewal as insurers or service providers to employee benefit plans. Therefore, we are providing the current claims paying ability rating that was available to us on the date this document was prepared for the insurance company under consideration:

INSURANCE COMPANY/ SERVICE PROVIDER	RATING AGENCY	RATING	DATE OF RATING
Mutual of Omaha Insurance Company	A.M. Best	A+	3/25/2025

When available, we select A.M. Best or Standard & Poor's ratings because of their depth of coverage of insurance companies and overall reputation as a rating service. Several other rating services (e.g., Fitch and Moody's) also provide ratings of insurance companies and managed care organizations, which we provide when a rating from A.M. Best or Standard & Poor's is not available. You may wish to consult these other services before making a decision regarding the initial selection or renewal of an insurance company or managed care organization. A.M. Best and Standard & Poor's regard "vulnerable" companies to be at relatively serious risk in terms of meeting both claims and creditor obligations. Insurance companies in this category should be researched carefully before being selected.

Finally, Segal does not itself perform insurance company or managed care organization credit quality evaluations and does not offer any warranty as to the scope or reliability (e.g., with respect to an organization's ability to meet future obligations) of the insurance company or managed care organization evaluations performed by any rating service. Segal is not responsible for providing monitoring of these ratings on an ongoing basis.
