Dear Valued Customer:

Your Group Dental Service of Maryland, Inc. Dental plan will be ending

We are writing to let you know that Group Dental Service of Maryland, Inc. (GDS-MD), which offers dental plans to unions and other groups, has decided to stop offering dental coverage. Your policy with GDS-MD allows GDS-MD to terminate it on ninety (90) days notice. GDS-MD will be terminating your policy as of December 31, 2021. This means that the last day your members will have coverage under the GDS-MD dental policy is December 31, 2021.

You may have heard that GDS-MD was purchased by Aetna several years ago. Now GDS-MD and Aetna have become part of the CVS Health family of companies. We are excited by the opportunity this gives us to offer a wider portfolio of dental plans with a larger network of participating dentists.

You must take action to keep dental coverage for your members

As a long-standing GDS-MD customer, we value your business. If you are eligible for an Aetna Dental® quote, we will email your broker or administrator an Aetna dental proposal. Please be sure to take action at least 30 days before December 31, 2021 to avoid a gap in dental coverage for your members.

Questions?

If you have any questions please contact us at accountservices@gdsmd.com or call Jacqueline DePolo, Aetna Senior Account Director at 1-412-652-6464.

Sincerely,

Group Dental Service of Maryland
