Re: Discontinuation of Group Dental Service of Maryland, Inc. Dental Plans – Union Local 72 Pressmen

Dear Dawn:

We are sending you this letter as required by Maryland Insurance Article § 27-606(d), to notify you that Group Dental Service of Maryland, Inc. (GDS-MD) has decided to stop offering dental coverage.

GDS-MD will be terminating the customer's policy as of December 31, 2021. This means that the last day members will have coverage under the GDS-MD dental policy is December 31, 2021.

You may have heard that GDS-MD was purchased by Aetna several years ago. Now GDS-MD and Aetna have become part of the CVS Health family of companies. Attached is an illustrative Aetna Dental proposal based on the customer's current enrollment and plan design. In order to finalize our rates and set up an Aetna dental plan, we will need to confirm the group meets our participation and contribution requirements. Please contact me at depoloj@cvshealth.com if your customer is interested in moving forward with an Aetna Dental plan.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jacqueline DePolo', is written over a light gray rectangular background.
