RESOLVED that the minutes of the special meeting held on August 14, 2024, are approved as presented.

II. FUND AUDITOR'S REPORT

The Trustees welcomed Mr. Tim Heller of Withum to the meeting.

A. Financial Statements for the Years Ended February 29, 2024 and 2023

Mr. Heller presented the Financial Statements as of February 29, 2024 and February 28, 2023 and corresponding Independent Auditor's Report to be filed along with the Form 5500 due on December 15, 2024, copies of which are included as part of these minutes. Mr. Heller stated that it rendered an unmodified opinion, confirming, among other things, that the financial statements were in conformity with generally accepted accounting principles.

Mr. Heller reported the total additions for the year ended February 29, 2024, of \$1,092,047 and total deductions of \$3,530,933, resulting in a decrease of net assets available for benefits of \$2,438,886, and producing net assets available for benefits as of February 29, 2024, of \$8,708,687.

Mr. Heller confirmed that he is currently waiting on the schedule MB from the actuary and will circulate a final report once received.

The Trustees thanked Mr. Heller for his presentation and he was excused from the meeting.

III. INVESTMENT REVIEW

A. Investment Consultant Report

The Trustees welcomed Barry Bryant of Dahab Associates to the meeting.

Mr. Bryant reviewed the "Printing Local 72 Pension Performance Review September 2024" report, a copy of which is filed with these minutes. Mr. Bryant reviewed the Economic Statistics and major index returns. Mr. Bryant reported that the GDP was up 3.2% in the current quarter, unemployment is 4.1%, domestic stocks were up 6%, real estate is up 0.3%, and bonds are up 5.2%.

Mr. Bryant asked the Trustees if they would like him to discontinue the Economic Status report moving forward. The Trustees stated there is no need for him to do this report every meeting

considering the fact that Manning and Napier provides a similar report to the Trustees.

Mr. Bryant then reviewed the Manager Performance Summary, covering the Composite portfolio's SFA portfolio and Pre-SFA (or "Legacy") portfolio. Mr. Bryant then provided the Trustees with an overview of the expectations of the new political administration.

B. Investment Manager's Report

The Trustees welcomed Mr. Rich Cartier to the discussion.

Mr. Cartier reported that the Special Financial Assistance money was received and invested as of September 6, 2024. These funds are not yet reflected in the "Investment Performance Review as of September 30, 2024". Mr. Cartier explained that the Equity Markets shrugged off brief moments of volatility during the quarter to broadly continue their push higher against a backdrop of an economy that is beginning to slow. In the Fixed Income Market, the Federal Reserve cut interest rates 0.50%, bringing their target range to 4.75%-5.0%.

Mr. Cartier reviewed the Fund's portfolio as of September 30, 2024, which shows a market value of \$2,504,597 for the 3rd quarter of 2024, or a 7.82% return net of fees for the Legacy Portfolio since inception. He also reported that \$39,313,911 in SFA money has been allocated into two separate accounts: \$37,239,575 to fixed income, and \$2,074,336 to equities.

The Trustees thanked Mr. Bryant and Mr. Cartier for their presentations and excused them from the meeting.

IV. ADMINISTRATIVE MANAGER'S REPORT

A. Financial Statement

Ms. Steen reviewed the Administrative Managers Report for August 2024. The report for the period ending August 31, 2024, showed total income of \$729,575 and total expenses of \$1,818,257, resulting in a net loss of \$1,088,682. The Fund's net assets as of August 2024 were \$8,040,266.07.

On Motion made, seconded, and carried, the Trustees voted to approve the following resolution:

RESOLVED to approve the August 31, 2024, Financial Report as presented.

B. Delinquency Report

There are no delinquent employers to report.

C. Withdrawal Liability

The Trustees reviewed the Withdrawal Liability reports included in the meeting booklet.

D. Invoices

Ms. Steen presented a list of invoices paid from June 1, 2024 to August 31, 2024. She noted that there were no additions, deletions or changes to the list.

On Motion made, seconded, and carried, the Trustees voted to approve of the following resolution:

**RESOLVED to approve the invoices paid from June 1, 2024
to August 31, 2024, as presented.**

V. FUND ACTUARY REPORT

The Trustees welcomed Mr. Brian Hartsell from the McKeogh Company to the meeting.

Mr. Hartsell reported that the Special Financial Assistance money was received on September 6, 2024. He noted that at some point, the Department of Labor will likely assign an auditor to audit the Fund as the Department has done with several recipients of SFA monies.

The Trustees thanked Mr. Hartsell for his report.

VI. FUND COUNSEL REPORT

A. QDRO Overpayment – Janet Pruitt

Mr. Szewczyk provided an update to the Trustees regarding a letter that was sent to Benesys, the company that acquired the Fund's former third-party administrator, Carday. The letter demanded that Bensys make the Fund whole for an overpayment of benefits to alternate payee Janet Pruitt. Mr. Szewczyk reported that he spoke to Counsel for Benesys and an agreement was made to accept \$10,000 as payment in full of the disputed amount. The settlement check was sent to Associated Administrators on September 17, 2024 and the deposit will reflect in the 4th quarter report.

B. McArdle

Mr. Szewczyk reported that he was contacted by an attorney for Bloomberg, which purchased McArdle Printing, who expressed Bloomberg's interest in re-engaging in discussions to fully resolve McArdle's withdrawal liability assessment. Fund Counsel recommended that the Trustees

authorize his office to re-engage Bloomberg in settlement discussions. He noted that McArdle currently pays approximately \$23,000 a month in withdrawal liability payments. Fund Counsel anticipates a proposed agreement to resolve the withdrawal payments in a lump sum will ultimately be reached but cautioned that similar discussions took place in 2019/2020 but ultimately broke down without a settlement in place.

Ms. Steen explained to the Trustees that PNC informed the Pension Fund that they have been using an old fee schedule for decades and want to update it. The new fee schedule results in lower fees for the Fund but requires a \$25,000 minimum deposit.

After review and discussion of the PNC fee schedule and upon Motion made, seconded, and carried, the Trustees voted to approve of the following resolution:

RESOLVED to approve the new PNC fee schedule.

IX. NEXT MEETING DATE AND LOCATION
