I. MINUTES

The Trustees reviewed the minutes of the regular meeting held November 07, 2024, which were previously circulated to the Board and included with the meeting materials.

On Motion made, seconded, and carried, the Trustees voted to approve the following resolution:

RESOLVED that the minutes of the regular meeting held on November 7, 2024, are approved as presented.

II. INVESTMENT REVIEW

A. Investment Consultant Report

The Trustees welcomed Barry Bryant of Dahab Associates to the meeting.

Mr. Bryant noted that Rich Cartier of Manning and Napier could not attend the meeting, but he would cover what Mr. Cartier would have discussed. Mr. Bryant then reviewed the “Printing Local 72 Pension Performance Review December 2024” report, a copy of which is filed with these minutes. He reported the Fund’s portfolio as the end of the 4th quarter of 2024 had a market value of \$2,602,850, or a 7.87% return net of fees for the Legacy Portfolio since inception. He also reported on the Special Financial Assistance (SFA) portfolio which shows a total market value of \$37,931,272 with \$35,799,925 in fixed income and \$2,131,347 in equities.

The Trustees thanked Mr. Bryant for his presentation and excused him from the meeting.

III. ADMINISTRATIVE MANAGER’S REPORT

A. Financial Statement

Ms. Steen reviewed the Administrative Managers Report for November 2024. The report for the period ending November 30, 2024, showed gross income of \$643,872 and total expenses of \$289,591, resulting in a net gain of \$354,281. The Fund’s net assets as of November 2024 for the Legacy Portfolio were \$5,450,013.39.

Fund Counsel inquired why the total income, total expenses and gain/loss on the GAIN LOSS REPORT do not match the corresponding amounts on the INCOME STATEMENT. Ms. Steen replied that we will get a detailed explanation for the differences from our Accounting department and report back our findings.

On Motion made, seconded, and carried, the Trustees voted unanimous approval of the following resolution:

RESOLVED to approve the November 30, 2024, Financial Report as presented.

B. Delinquency Report

There are no delinquent employers to report.

C. Withdrawal Liability

The Trustees reviewed the Withdrawal Liability reports included in the meeting booklet.

D. Invoices

Ms. Steen presented a list of invoices paid from September 1, 2024, through November 30, 2024. She noted that there were no additions, deletions or changes to the list.

On Motion made and seconded, the Trustees voted unanimous approval of the following resolution:

RESOLVED to approve the invoices paid from September 1, 2024 to November 30, 2024, as presented.

IV. FUND ACTUARY REPORT

The Trustees welcomed Mr. Brian Hartsell from the McKeogh Company to the meeting.

Mr. Hartsell presented the Actuarial Valuation report for the plan year beginning March 1, 2024, a copy of which is filed with these minutes. He reported that on September 3, 2024 the Plan received \$39,440,935 in SFA funding under the American Rescue Plan Act of 2021. Mr. Hartsell also reported that as a condition of receiving the SFA funding the Plan will remain in critical status until the Plan Year beginning March 1, 2051. The SFA funds were received after the Plan's actuarial valuation date and thus are only reflected in the report for purposes of the future projections. The Plan is over 100% funded with the SFA money.

The Trustees thanked Mr. Hartsell for his report.

V. FUND COUNSEL REPORT

Fund Counsel Jacob Szewczyk touched on concerns regarding whether the new administration may take back the SFA funding. He noted that while there is a lot of uncertainty at this time regarding what actions the new administration may take, he is of the opinion that clawing back SFA money is unlikely. In response to questions, Mr. Szewczyk shared his belief that, should the new administration attempt to take back SFA funds, the issue would ultimately reach the Supreme Court.
