**I. CALL TO ORDER**

A quorum being present, the Chairman called the meeting to order.

## II. MINUTES

The Trustees reviewed the minutes of the last regular meeting held on March 3, 2022, and the Appeals Committee meeting held on May 3, 2022, which were previously circulated. Mr. Seehafer commented that in his opinion the Reserve Report was not approved as reflected in the minutes because the Employer Trustees abstained from the vote.

On Motion made and seconded, the Trustees voted unanimous approval of the following resolution:

**RESOLVED, that the minutes of the regular meeting held on March 3, 2022, and the Appeals Committee meeting on May 3, 2022, are approved as presented.**

Trustee Seehafer stated that, because all of the Employer Trustees are appointed by the same employer, it would be advisable to amend the Trust to allow for the appointment of an independent Employer Trustee to take action in the event that all of the regular Employer Trustees have a conflict with regard to a particular matter.

## III. FINANCIAL REPORT

### A. PNC Bank

Mr. Ianniello reviewed the PNC Summary of Activity report for the period January 1, 2022, to May 31, 2022. The report showed a beginning market value of \$3,062,875, receipts of \$5,099,630, disbursements of \$7,108,215, and an earnings loss of \$50,847, producing an ending market value of \$1,003,443 as of May 31, 2022.

## IV. CONSULTANT'S REPORT

### A. Confidio

Mr. Ianniello stated that Confidio would not be presenting an updated report because OptumRx had not provided the necessary information to Confidio in time for this meeting. The Trustees discussed the problem of OptumRx not being timely in its responses and asked that Ms. Eid send a letter to OptumRx on behalf of the Board of Trustees, expressing the Board's displeasure with Optum's lack of timely reporting.

### B. The Segal Company

The Trustees welcomed Mr. Josh Timm of the Segal Company to the meeting.

## **1. Reserves**

Mr. Timm reviewed the June 2022 Reserve Determination Report. Mr. Timm reported that claims were up 28.1% on a per capita basis year over year versus the prior year. He noted that the Fund reserves as of May 31, 2022, were 2.729 months. Because reserves are below the 3-month Fund reserve requirement, Mr. Timm reported a reserve adjustment of an additional \$2,296,362 (payable in six monthly installments of \$328,727 from June 2022, through November 2022), was necessary to return the reserve to 3 months, in addition to the \$311,556 previously determined by Segal to be necessary to return the reserve to a 3-month level, for a total additional amount \$2,607,918 needed to restore the Fund's reserve to the 3-month level. After discussion, the Trustees scheduled a special meeting to address the Fund reserves on June 13, 2022, at 10 a.m. The Trustees also asked Mr. Ianniello to research the recent increase in claims. The Trustees then scheduled a second special meeting to discuss the increase in claims on June 20, 2022, at 10 am.

## **2. Machine-Readable Files**

Mr. Timm reported on the out-of-network machine-readable files requirement under the No Surprises Act. He stated that CareFirst will create and host the necessary in-network machine-readable files on the Fund's behalf but cannot create and host such files for the out-of-network claims. Mr. Timm reviewed two proposals that were received from outside vendors who could create and host the out-of-network machine readable files for the Fund and also could provide a price comparison tool for the Fund: Green Light and MedExpert. He provided an overview of the financial comparison between the two vendors. Mr. Timm noted that Green Light's proposal is effective from July 1, 2022 through December 31, 2023. MedExpert's proposal is effective from July 1, 2022 through December 31, 2024. Mr. Timm reported that Green Light is the most cost-effective option for the Fund.

After review and some discussion,

On Motion made and seconded, the Trustees voted unanimous approval of the following resolution:

**RESOLVED, to hire Green Light to create and host out-of-network machine-readable files for the Fund and provide a cost comparison tool for the Fund in accordance with applicable law and regulations.**

## **B. The McKeogh Company**

The Trustees welcomed Ms. Karen Crossin of the McKeogh Company to the meeting.

### **Retiree Request for Proposal ("RFP")**

Ms. Crossin presented the results of the Medicare Advantage Plan RFP . The Fund received bids from The Hartford, CareFirst BlueCross BlueShield, Humana, Aetna, and United Healthcare to provide Medicare Advantage Plan benefits to the Fund effective January 1, 2023. Ms. Crossin recommended Humana and Aetna as the finalists. Mr. Timm advised that Segal would review the RFP results as well. The Trustees agreed to discuss the results in more detail at a subsequent meeting. Mr. Seehafer noted that a decision had to be made by October 1, 2022 in order to implement any change by January 1, 2023.

## **V. ATTORNEY'S REPORT**

**I. CALL TO ORDER**

A quorum being present, the Chairman called the meeting to order.

**II. OTHER FUND BUSINESS**

The Trustees discussed the Fund's reserves and claims experience and requested more information from the Fund Office about the claims.

Mr. Ianniello reviewed the claims experience information requested by the Trustees at the previous meeting. Mr. Ianniello discussed the Per Member Per Month expense report from 2019 through the first quarter of 2022. He reported that the member count dropped dramatically in that period. Mr. Ianniello also reviewed large claims and large claimants from 2019 through the current period, noting the diagnosis and status of the claimants. Mr. Ianniello said he would contact Conifer Health Solutions for a more detailed analysis of the Fund's large claims. The Trustees asked that Conifer attend the next meeting to give a report.

The Trustees discussed the retirees under the Fund who were not employed by Shoppers immediately prior to their retirement. Mr. Hoffman stated that he has been in contact with Mr. Dan Dosenbach of Safeway regarding the retirees formerly employed by Safeway and Mr. Dosenbach has indicated that Safeway is willing to contribute to the Fund to maintain such retirees' benefits. Mr. Seehafer observed that the contributions on the Safeway active employee had not covered the Safeway retirees' costs and the Fund should look into Safeway paying for that.

Mr. Ianniello reported that the Fund's current contract with Conifer Health Solutions is set to expire on July 31, 2022. Conifer Health Solutions proposed to maintain the same fee rates for the renewal period of August 1, 2022, through July 31, 2023.

On Motion made and seconded, the Trustees voted unanimous approval of the following resolution:

**RESOLVED, to approve the renewal contract for Conifer Health Solutions with no fee rate increase.**

**II. OTHER FUND BUSINESS**

Trustees discussed the Fund's reserve level and the Fund's delinquency lawsuit against Shoppers.

Trustee Loeffler reviewed the outstanding issues in dispute and the Shoppers' settlement offer. He stated he believes this offer holds merit and the Trustees should not delay the

acceptance of the offer. Chairman Federici asked that they have a discussion on the matter to see if they could possibly find some changes in the current offer that would be more protective of the Fund. After discussion, the Trustees agreed to have another special meeting on June 28, 2022, at 2 pm (via Zoom).

The Trustees discussed a counteroffer to be made to Shoppers. There would be an interim settlement to assure the Fund received sufficient contributions to continue to pay claims and administrative expenses while the bargaining parties resolved the apparent disagreement over the terms of the collective bargaining agreement now in effect. The case would be stayed and Shoppers would pay based on Shoppers' apparent position that it only is required to contribute on its active employees and retirees. The Trustees requested that they see the settlement offer in draft before it is sent.
