# Required Disclosures

The purpose of this presentation is to present the preliminary January 1, 2023 Actuarial Valuation results for the UFCW Unions and Participating Employers Pension Fund to the Trustees. Other users of this presentation are not intended users as defined in the Actuarial Standards of Practice, and Cheiron assumes no duty or liability to such other user.

In preparing this presentation, we relied on information (some oral and some written) supplied by the Fund Office and Auditor, Withum. This information includes, but is not limited to, the plan provisions, employee data, and financial information. We performed an informal examination of the obvious characteristics of the data for reasonableness and consistency in accordance with Actuarial Standards of Practice No. 23.

This analysis was based on financial data through December 31, 2022 and the January 1, 2023 membership data. Unless otherwise noted, the assumptions and methods are outlined in the January 1, 2022 actuarial valuation report. Future results may differ significantly from this presentation due to such factors as the following: plan experience differing from that anticipated by the assumptions, changes in assumptions, and changes in plan provisions or applicable law.

This presentation and its contents were prepared in accordance with generally recognized and accepted actuarial principles and practices and our understanding of the Code of Professional Conduct and applicable Actuarial Standards of Practice set out by the Actuarial Standards Board as well as applicable laws and regulations. Furthermore, as credentialed actuaries, we meet the Qualification Standards of the American Academy of Actuaries to render the opinion contained in this presentation. This presentation does not address any contractual or legal issues. We are not attorneys, and our firm does not provide any legal services or advice.
